## School Board Raises Taxes 4.54 Mills For Coming Year

Palm Beach County Board of Public Instruction was presented a tentative 1961-62 budget Monday totaling \$22,621,225.

The presentation was made by Supt. Howell L. Watkins, as required by state statute.

The board accepted the proposed document, which calls for a 4.54 mill increase in county property taxes, for study, prior to a public hearing Aug. 2.

The proposed budget will levy 12.61 mills in taxes on county property owners and provide some \$10,206,979 for school needs. The balance comes from state and federal sources.

Last year, county taxpayers contributed \$7,334,319 for schools under a \$0.07 mill levy.

It was pointed out \$1.5 million of the increase in the budget was due to pay raise voted teachers by the State Legislature and by the need to hire some 124 more teachers than were employed last year. School enrollment is expected to increase by 3,200 students.

There will be approximately 1,800 teachers on the payroll next year.

Specific changes in taxation is shown in Watkins' recommendation for millage charges:

Millages	Proposed This Year	As Levied 1960-61
Gen. School Fund	7.66	4.07
Dis. Maint. Fund	2.75	2.75
Dis. Bldg. and Bus. Fund	1.60	.75
Dis. Interest and Sinking Fund	1.20	.50
Totals	12.61	8.07

The system was able to operate last year on only a .33 mill increase because it had more than \$1 million in surplus and reserves.

Last year's budget was \$20,345,049.

It was pointed out, during discussion Monday, that 1.22 mills of the proposed increase in millage is required to offset countywide re-assessments and re-evaluations.

County tax rolls dropped from \$943.5 million last year to \$852 this year.

## 4-H Clubbers Back From Camp Cloverleaf

The Palm Beach County boys and girls 4-H Club members and their counselors returned Saturday to their homes following a weeks stay at Camp Cloverleaf.

Those attending from Canal Point and Pahokee were: Janetie Harrington, Junior Counselor; Nancy Harrington; Lodius Gray; Peggy Bitting; Eddie Upthegrove; Teddy McCall; Mike McCall; James Conley; Grayson Braddock; Walter Webb; Alan Hitchcock; Herman Clark; Jerry Resmondo and Ross Harrington, all from Canal Point, also Lynn Nicely, Junior Counselor; and Penny Pennington of Pahokee.

Mr. and Mrs. A. R. Harrington of Canal Point were adult leaders.

## Local Lions Plan New Year Programs

The Canal Point Lions Club met at the usual time and place Monday evening, with the new president, J. G. Weeks presiding. The program plans up to this time have been in the planning stage; therefore no program had been planned for this meeting. Only a short session was observed by the group, following the usual dinner.

## Summer Program Will End Next Week

The Summer Enrichment Program at the Canal Point School, under the leadership of Mrs. Charlotte Walston and Mrs. Mildred Larrick, sponsored by the Palm Beach County Board of Public Instruction, will close at the end of next week.

The directors report that a very successful summer recreation program has been enjoyed by a large number of students. The time has been spent in arts and crafts, including the hand painting of plaques, making of leather wallets, place mats made of paper, pot holders made of cloth and bird houses made of wood.

They have enjoyed the library sessions, participated in sports. Last Tuesday they went to Belle Glade and played a game of softball with the Belle Glade school. Friday they all enjoyed a picnic at the Canal Point Community Park. This coming Friday they will enjoy foot and sack races and will play a return softball game with Belle Glade on the Canal Point School grounds.

## Ag Group Planning For August Election

Preliminary plans are now being made for the election of Agricultural Stabilization and Conservation community and county committees next month, according to A. R. Harrington, Chairman of the Palm Beach County ASCS Committee.

The elections will again be by mail ballot. Each eligible farmer will receive on or about August 21 a ballot and self-addressed postage free envelopes for use in returning the ballot to the ASCS County Office. Such ballots must be returned by August 31, 1961.

The committees elected will assume their office on October 1, 1961.

## BAND CAMP BANQUET

On Friday evening at 7:30 p. m. Mrs. J. E. Williams and Miss Peggy Turner will attend the banquet which will terminate the University of Miami band camp for this season. The banquet will be held in the university cafeteria.

## Robert Lampi Will Guide Pahokee Rotary Club During The New Year

Pahokee High School Band Director Robert O. Lampi accepted the gavel at induction ceremonies when he took over as President of the Pahokee Rotary Club from W. K. "Hank" Aldridge, who had done a splendid job during the past year. Robert is shown accepting the gavel from Hank as members of the official family look on. Left to right other committeemen are as follows: Joe E. Thompson, Director D; Wiley Tillis, Director B; Luke Dufresne, Director C; Chester A. Batchelor, Secretary; Dr. E. C. Johnson, Vice President and Bill Plumer, Treasurer. R. M. "Mike" Sanders, Director A, was not present when the picture was taken.

## Drainage Vote Is Set For August 22

Voters in the East Beach Drainage District in Pahokee will go to the polls on Tuesday, August 22, to determine whether or not certain power and authority shall be vested in the supervisors of the district as set up by a law passed by the recent legislature.

A 1949 legislative act was amended in the 1961 session giving power and authority to bond the district in the amount of \$300,000.00 to completely rehabilitate the drainage operations.

Through the years the old canals and pumps—nearing 25 years of age—have given inadequate service and citizens of the affected area have expressed desire that something be done to alleviate the conditions. The upcoming election in August will give those same citizens the opportunity to express themselves in favor of the complete rehabilitation of the district.

Under the plan the district would be equipped with new pumps, all canals cleaned and new ones dug and all other encumbrances on present drainage removed, thereby giving more efficient service and doubling the drainage capacity of the district.

The bonds would be paid off over a long period of time with a small yearly assessment on each property owner in the East Beach District.

## Willie Veal Goes To Daytona FFA School

Willie Veal of Canal Point left Thursday for Daytona Beach where he will attend the School for Instruction for State Vice-presidents of the Future Farmers of America July 19th thru 29th. The group attending this school will make a tour of the State before returning home.

## Grady Boynton In Freak Accident

Grady Boynton is doing nicely following a freak accident which occurred last Thursday on his son's farm. Mr. Boynton was a spectator to a group of trees being uprooted, one of which fell, striking him. Fifteen stitches were taken to close the wound on the back of his head. He was taken to the Everglades Memorial Hospital for observation and then released.

## Funeral Services For Cook Daughter

Funeral services for the nine month old daughter of Mr. and Mrs. Dan Cook were held Saturday afternoon at the First Methodist church at Pahokee. Rev. Robert Shelley, pastor of the Canal Point Methodist officiated. Burial was in Port Mayaca cemetery.

The infant, Patricia Ann Cook, died following a boating accident that occurred as Cook swerved to miss a patch of hyacinths floating on the calm surface of the lake, and struck an unlighted channel marker.

Patricia's mother was admitted to Everglades Memorial Hospital, Pahokee, with lacerations, bruises and possible internal injuries. Cook, a Pahokee repairman, and two-sons, Paul and Phil, were not injured.

The Cooks were returning from Belle Glade when they struck the wooden marker about 100 feet offshore. The day marker which juts some eight feet above the water line, carries only a reflector.

Councilman Billy McKinstry, in a passing boat, picked the Cooks from the crumpled, sinking runabout as the family sat dazed by the impact.

Col. and Mrs. W. S. Evans of Port Mayaca have as their guest their grandson, Gary Handley of Sebring.

## Work Started On New Food Center

Construction work has started on a new building in Pahokee to be known as Pahokee Food Center and will be erected just back of the Pure Oil Station on Rardin Avenue. LeRoy Miners of Pahokee and George Crews of Belle Glade are to be owners and operators of the new food market.

Mr. Miners has had several years of experience in the food merchandising business, having recently sold his interest in Miner's Super Market on Rardin Avenue in Pahokee. Mr. Crews is also an experienced groceryman and at present owns and operates "Crews Community Grocery" in Belle Glade.

The new store will be one of the most modern in the area and piling are being driven this week by Ernest Maxwell of Pahokee. Actual construction of the building will follow the piling work. A large parking area will be built to serve patrons of the new establishment.

## Celery Growers To Vote On Market Plan

Florida celery producers and handlers will ballot next month on a marketing proposal for the industry.

The proposed order contains provisions for assessments up to five cents per standard crate of celery to finance research studies and projects, pack and container regulations and advertising and sales promotion campaigns.

Ballots will be sent to all producers and handlers on Aug. 1. They must be returned to the state department of agriculture by midnight Aug. 20, Commissioner Doyle Conner said.

Mr. and Mrs. James R. Gifford have returned from a two weeks vacation in Oklahoma and Louisiana where they visited relatives.

## THE WORLD OF WOOD

### Wildlife Activities Will Highlight Camp For Florida 4-H'ers

ASTOR PARK — Swimming, boating and fishing will headline activities for about 100 boys attending Florida's 26th annual Boys' 4-H Club Wildlife Camp, July 24-29, at 4-H Camp McQuarrie in the Ocala National Forest.

Delegates are selected for outstanding 4-H Club work, with special emphasis on wildlife projects, according to Grant Godwin, associate state boys' 4-H Club agent and camp chairman.

Boys will attend daily classes in forestry, native crafts, quail and fishpond management, conservation, fishing and fishing tackle, gun safety and boats, motors and water safety.

Specialists with the Florida Agricultural Extension Service and Soil Conservation Service will serve as instructors in cooperation with industry representatives.

The annual 4-H Wildlife Camp is directed by the Boys' 4-H Club Department of the Extension Service in cooperation with the Federal Cartridge Corporation, Minneapolis, Minnesota.

### TO NORTH CAROLINA

Mr. and Mrs. Lewis Friend and daughters, Cyndy and Merry Ann, left today for a few days vacation in Hendersonville, North Carolina. Enroute to their vacation spot, they spent the night with their son-in-law and daughter, Mr. and Mrs. Richard Korbly, Jr., in Sarasota.

Lt. Donald Pickett, serving with the U. S. Army at Fort Bragg, North Carolina, will be home for a two weeks visit with his mother, Mrs. John T. Pickett, Sr.

### Anglers Preparing For Big Derby Day In Tarpon Tournery

TAMPA — Nine top anglers in the 14th annual Tampa Tarpon Tournament will fish for a 1961 sports car Saturday, July 22 in the grand finale of the eight week event.

At sunrise the eight weekly prize winners and light tackle division leader will board boats and venture out into the waters of Tampa Bay where they will seek to lure huge Tarpon to their hooks.

Combined weight of the nine winning catches of the tournament was 885 pounds with the largest catch tipping the scales at 139 pounds.

It's winner take all in Saturday's fishoff with the largest Silver King providing the ignition key to a sparkling new Chevrolet Monza sports car to the lucky fisherman, or fisherwoman. Three of the Derby Day finalists are women.

In an unusual twist a husband and wife will be competing against each other for the grand prize. Donald Bain, of Ruskin, captured weekly honors with a 115 pound catch with wife, Marie, winning a spot in the fishoff with a 96 pounder the following week.

Over 1500 fishermen competed for weekly prizes during the tournament, with 121 successfully gaffing the mighty Silver King.

Mr. and Mrs. John Nelson and son, Mark, left Friday for their home in St. Augustine, following a two-weeks visit with Mrs. Nelson's parents, Mr. and Mrs. J. E. Williams of Canal Point. Young Bill Nelson remained for a longer visit with his grandparents.

### Screw Worm Hits Bay County Area

TALLAHASSEE—Florida's battle against the screw worm is being stepped up sharply, according to Commissioner of Agriculture Doyle Conner.

Eight hundred thousand sterile screwworm flies have been flown into Panama City. They have been dispersed by air over the area around Bonifay where an outbreak of the deadly livestock pest was

discovered last month.

The native female screwworm fly mates only once. After mating with a sterile male, she lays only eggs that do not hatch and thus the native fly population is gradually wiped out.

No new screwworm infestations have been discovered, but aerial dispersal of sterile flies is expected to continue for some time.

Ken and Edward Beverly, sons of Mr. and Mrs. Max Beverly of Ochlocknee, Ga., arrived here Wednesday to spend several days with their grandparents, Mr. and Mrs. H. G. Boynton in Canal Point.

## Here's what the new 3 $\frac{3}{4}$ % interest rate on U.S. Savings Bonds means to you:

**\$3 = \$4** *fourteen months faster than before*

### *The Bonds you own are better than ever, too*

The new 3 $\frac{3}{4}$ % rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra  $\frac{1}{2}$ % from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

### **More advantages of U.S. Savings Bonds**

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

*You save more than money*  
**with U.S. Savings Bonds**

## PERSONAL NEWS NOTES

Mr. and Mrs. L. D. Dukes and family of Pahokee returned Sunday from a few days visit with his mother, Mrs. W. J. Dukes, Andalusia, Ala.

Miss Janette Harrington of Canal Point was a patient in Good Samaritan Hospital in West Palm Beach from Tuesday through Saturday at which time she had dental surgery.

Mrs. Grace (Mother) Rosenberg of Lake Worth spent several days last week as guest of Mrs. Edna Barrett in Canal Point; also visited old friends here.

Mr. and Mrs. Richard Korbly, Jr., returned last Thursday from their wedding trip. Following an overnight visit here, they went on to their home at 2707 Cheryle Lane, Sarasota.

Mr. and Mrs. John E. Williams and daughters of Orlando were the weekend guests of his parents, Mr. and Mrs. J. E. Williams of Canal Point.

Mr. and Mrs. Charley Adams and family of Alamo, Georgia were recent guests of her brother-in-law and sister, Mr. and Mrs. J. L. Gordon in Pahokee.

Mr. and Mrs. W. L. Anderson and son Leroy of Canal Point are visiting their son-in-law and daughter, Mr. and Mrs. J. H. Bigford in Yazoo City, Miss.

Mr. and Mrs. Audie Hooks and daughter, Jonell of Clewiston were the weekend guests of her parents Mr. and Mrs. J. D. Latham, in Canal Point.

Mayor and Mrs. Duncan Padgett of Pahokee had as their guests Saturday through Monday their son-in-law and daughter, Mr. and Mrs. Albert Garcia and daughter Elaine; also Maxine Atkins of Tampa.

Omar Adams, son of Mr. and Mrs. W. J. Adams of Pahokee, is visiting Mike McCall, at the home of Mike's grandparents, Mr. and Mrs. M. C. Carter, Port Mayaca.

Mr. and Mrs. M. D. Geiger of Canal Point have as their house guest this week, their sister-in-law Mrs. W. D. Geiger of Ft. Lauderdale. She will be joined this weekend by her husband.

C. A. Major, Sr., has had eye surgery at the Providence Hospital in Columbia, S. C., and is getting along fine.

Jake Gray, brother of Mrs. Jack Spencer, is in Everglades Memorial Hospital, where he will undergo surgery this week.

### Change Of Name Is Made By Gas Company

ST. PETERSBURG — Houston Corporation, suppliers of natural gas to the entire state of Florida has changed its name. Company officials have announced the corporation will be known from now on as the Florida Gas Utilities Company.

The name Houston Corporation was inappropriate and descriptive of neither the service area nor the product distributed, said a company official. The title has been changed to one felt more fitting.

"We are a Florida company," said one official, "headquartered in the Sunshine State with our future growth linked directly to that of the state. A name change has been considered for some time."

## Pick your savings target and shoot straight for it!

**A** home... financial security... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You direct your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. That cash pay packet that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Savings Bonds.

Because Savings Bonds earn good interest—2½ compound, at continuously compounded rate to maturity (10 years)—they grow rapidly with the passage of time. And your Savings Bonds will continue to pay you even after interest or principal payments have been made. With steady savings of as little as \$100 more than you originally paid.

And remember this: Thanks to government, you choose about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$100 a week in Payroll Savings Bonds worth \$1000 in only half a year, \$1000.

Even if you're over-40, able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or learn to Bonds regularly where you bank.

**For the big things in your life, be ready with U. S. Savings Bonds**

The U. S. Government does not pay for this advertising. The Treasury Department thanks for their patriotic donation, the advertising firms and

## Population Gain In State Amazing

Florida's population gain during the past ten years was the result of an inflow of residents from other areas at a rate three times as strong as the natural rate from births in the state, the Florida State Chamber of Commerce said yesterday.

"During the decade, Florida gained a total of 2,179,000 new residents, giving the state an officially estimated population of 5,000,000 on July 1 of last year. The net gain from migration accounted for 75 per cent of this figure (or 1,625,567 persons) and births made up 25 per cent (or 553,433) of the gain.

"The year-to-year pattern varied considerably from the ten year average. During the year July 1, 1950 to July 1, 1951, the total gain was 145,000 new residents divided 73 per cent from migration and 27 per cent from births.

"The peak growth year (1957-1958) saw a total of 263,263 new Floridians, 81 per cent from migration and 19 per cent from births.

"The most recent year for which official estimates are available covers July 1, 1959 to July 1, 1960. The gain during that time totaled 210,000 new residents, 68 per cent from migration and 32 per cent from births. This figures to a migration rate of 2,728 persons each week and a natural gain of 1,311

persons each week during the year 1959-1960."

## Grape-fruit Drink To Bolster Use

ORLANDO—A new and tasty grapefruit juice drink, not yet on the market, has been described by the Florida Citrus Commission as "one of the brightest spots" in plans to bolster consumption of grapefruit.

General Manager Homer E. Hooks, speaking before a meeting of the American Institute of Real Estate Appraisers, said the new product was developed by scientists at the Citrus Experiment Station.

"This is canned, highly sweetened grapefruit juice which has a relatively high acid content," Hooks said. "The consumer simply mixes one can of water with a can of juice and the result is a tasty drink without any sharp or bitter taste."

The product requires no freezing or even refrigeration. It will have 50 per cent pure grapefruit juice in it, which is a larger percentage than grapefruit drinks on the market today.

The commission will conduct taste panels and market tests on the new product next fall, Hooks said.

# New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

*The Treasury explains why the new ones you buy and the ones you own now are better than ever*

**Q:** How does the new  $3\frac{3}{4}\%$  interest rate benefit me?

**A:** With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to  $2\frac{1}{2}\%$  for the first year and a half, then a guaranteed  $4\%$  each year to maturity.

**Q:** When did the new rate become effective?

**A:** June 1, 1959.

**Q:** Does the new rate change the Bonds I bought before June 1, 1959?

**A:** All older E and H Bonds pay more now—an extra  $\frac{1}{2}\%$  from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

**Q:** Will the Bonds I own automatically earn their new rate?

**A:** Yes. You don't need to do a thing—just hold on to your Bonds.

**Q:** When my E Bonds mature, will they keep on earning interest?

**A:** Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

**Q:** With the new interest rate, should I cash in my old Bonds and buy new ones?

**A:** No. The automatic  $\frac{1}{2}\%$  increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

**Q:** How are series H Bonds different from series E Bonds?

**A:** The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

**Q:** In what denominations can I buy series E and series H Bonds?

**A:** E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

**Q:** How safe are U.S. Savings Bonds?

**A:** Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

**Q:** What if my Bonds should be lost, stolen or destroyed?

**A:** You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

**Q:** Where can I buy Bonds?

**A:** Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

**Q:** How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

**A:** Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

**YOU SAVE MORE THAN MONEY WITH  
U. S. SAVINGS BONDS**

# Pahokee Hospital Board Boosts Its New Tax Millage From 3.20 To 4.25 Mills For 1961-62

A raise in tax millage in Northwestern Palm Beach County Public (Everglades Memorial) Hospital District will, in all probability, make taxes in the Pahokee area higher than anywhere in the county. The millage has been boosted by the board from last year's 3.20 mills to 4.25 mills, according to figures in the tax assessors office in West Palm Beach.

Members of the hospital board—Milton Douglas, Floyd Erickson, F. S. Farris, Leonard Dobrow and William Plummer—called for an increase in the hospital budget from \$65,000 up to \$73,000. This tax is paid by residents in the area bounded by Lake Okeechobee on the west, 20 Mile Bend on the east, Martin county on the north, and a line drawn in the Glades that would run East and West along Belle Glade Airport Road.

Pahokee taxpayers were at the top of the mill list last year, paying a total of 18.96 mills in county

and special district taxes.

This year they will have to pay 25.942 mills, as a result of increases in general county, school, flood control district, Port of Palm Beach and hospital district taxes.

Only possible contenders for the unlikely honor of "top taxpayers" are residents of Belle Glade and South Bay.

They pay all the millages paid by Pahokee residents with the exception of the Northwest Hospital District tax, substituting for that their own Southwest Hospital District tax for the Belle Glade hospital operation.

Last year that was 3.20 mills, putting Belle Glade and South Bay taxpayers .05 mills behind Pahokee in the "top tax rate" race.

The Southwest Hospital (Belle Glade) District millage will not be set for another week, an official of the district has reported.

This marks the only special dis-

trict tax still to be set in the county.

Others are: Port of Palm Beach 1.265, up from 1.10; Boynton Inlet, an estimated .376, up from .32; Bethesda Hospital, 1.76, up from 1.70, and Jupiter Inlet, holding the line at one mill.

## 17 Free Vacations To Retired Folks

Seventeen free Florida vacations will be offered retirement age couples at the New York Florida Showcase which will feature retirement living during August. Wendell Jarrard, chairman-director of the Florida Development Commission said today.

Beginning August 1, dioramas showing models of seven types of accommodations will replace this month's art exhibit from Florida galleries and artists. They will include model family and multiplex dwelling, cooperative apartments, mobile homes, rental houses, retirement hotels and church-sponsored retirement homes.

Jarrard said Sidney Spector, head of Housing for the Elderly department of the Housing and Home Finance Agency, Washington, D. C. will attend the formal opening.

The one-week vacations will be offered as door prizes to afford the winning couples an opportunity to inspect the state's retirement facilities, Jarrard said.

To promote the program, the Commission is asking the heads of 187 of the country's largest industries with New York offices to invite their employees approaching retirement to visit the display. Jarrard is requesting members of Florida's Committees of 100 to contact at least one New York City firm and urge their personnel to see the Showcase exhibit.

A retired Florida couple will be on hand at the Rockefeller Center location to answer questions and distribute information on Florida retirement.

## Sunday School Class In July Meeting

The T. E. L. Sunday School class of the Canal Point Baptist Church held their July meeting Monday at 3:00 p. m., with Mrs. W. S. Cross as hostess.

Mrs. J. D. Latham, class president, presided over the business session. Mrs. W. S. Cross and Mrs. R. L. Hawk were appointed on the nominating committee to select officers for the new church year.

Mrs. Cross served home made cake and coffee to nine members and two guests.

Mrs. J. E. Williams, accompanied by her grandson, Bill Nelson and Miss Peggy Turner, spent last Saturday in Miami shopping and visiting with her daughter, Velma, who is attending band camp at the University.
